Gondola & Stargazing - A guided tour of our galaxy

The clear, unpolluted skies of Queenstown are the perfect setting for stargazing experience. Perched high above Queenstown and surrounded by snow-capped mountains, keen stargazers have the opportunity to access a 'hidden world' not seen by the naked eye.

Taken to a specially-constructed area high above the Gondola, where there is no trespassing light, allowing for an unbelievably clear view of the night sky. Top-of-the line telescopes give stargazers the chance to view an amazing array of stunning sights, from the iconic Southern Cross, to nebulas, planets, the Milky Way and other galaxies.

Take the journey up the Skyline Gondola and are greeted in the lounge by experienced stargazing guide. After a quick orientation the tour will begin with a short walk to the viewing platform on top of Bob's Peak.

Enjoy constellation and sky interpretation, while using quality telescopes to look deep into our galaxy. Then retreat with a hot chocolate in the Skyline Bar overlooking Queenstown.
